SILVERFISH IS MAKING ANNOUNCEMENT AND FAKE
NEWS AGAIN, AND NOW THEIR ANNOUNCEMENT
IS TRENDING ON TWITTER. BE CAREFUL!

SILVERFISH CULTURE CO. LTD

Silverfish signed author Xiaoge Fang broke the contract on purpose during the contract period, by publishing negative and insulting sayings regarding our company in public. This leads to a postpone of the Film Adaption Plan, which has caused great financial loss to our company.

We have sued Xiaoge Fang, and we will keep investigate this until we receive a valid explanation or compensation.
