

ALL
STRINGS
ATTACHED

The image features the text "ALL STRINGS ATTACHED" in a light blue, rounded, sans-serif font. The text is arranged in three lines: "ALL" on the top line, "STRINGS" on the middle line, and "ATTACHED" on the bottom line. Red lines are drawn across the text, connecting various letters. These lines form a network that links the letters of the words together. For example, a line connects the 'A' in "ALL" to the 'S' in "STRINGS", and another line connects the 'S' in "STRINGS" to the 'A' in "ATTACHED". A red line also extends from the bottom of the 'A' in "ATTACHED" downwards. The entire text is set against a white background.

STUTTERED...

IF HE SAID
THAT NOW, AT THIS
TIME... HE MUST BE
THINKING OF TURNING
ME DOWN.

Their eyes are a deep purple color, looking slightly upwards and to the right. They have a small, confident smile on their lips. The skin is a pale, pinkish tone. The background is a solid, light pink color.
