THE WORLD OF MANGA

notice

This is by **Park Gee**, the same creator as Suicide Boy, and there will be "weird" content. Read at your discretion.

I am by no means a professional, but I will try my best to upload chapters. They might take some time for each update, as I am doing this **alone** and I'm still in school.

Updates honestly depend on how many tests i have tbh, but we will see. I will definitely not drop it though cuz i hate when ppl drop stuff

Please do not upload over me. If you want to help me, u can totally contact me thru messages.

Thanks for reading! 🙏🙏

first chapter coming soon ❤️
