

Hello, I'm moonie and I translated and cleaned this chapter, since further uploads seemed to be delayed by the officials

I'm sorry for slow uploads, I'm a single person without professional equipment or experience. Please be kind to me and each other

A comic panel showing a woman with long black hair and a pink shirt peeking through a doorway. She has a surprised expression with wide eyes and an open mouth. Her hands are clasped together in front of her. A speech bubble above her head says "OPPA!". To her right, the word "PEEK!" is written in large, bold, stylized letters. Below her, another speech bubble contains the text "ARE YOU ASLEEP?". The background is a simple room with a doorway and some furniture.
