

Creator's Note

Hello, it's euja.

We finally hit the finale!
To the readers who stuck
with *Low Tide in Twilight*
for the past three years,
thank you so much.

I was able to come this far thanks
to the readers' encouragement
and cheerleading.

I received an overwhelming amount of love, and the whole time I was working on this series, I felt like I needed to repay those feelings. To the point it made me antsy to do *something* for my readers.

COMMENTS,
KUDOS, AND GIFTS
FROM READERS.

While the main story is finished, there's still physical copies, merch, and side stories that need to be told. So I'll do my best so you can keep enjoying *Low Tide in Twilight*.

I SOUND LIKE
SOME PRESIDENTIAL
CANDIDATE.

IF I BECOME PRESIDENT,
I PLEDGE TO...

I really have no idea what to say except that I'm so incredibly grateful.

Low Tide in Twilight was a series that was mostly me sprinkling some mainstream elements into a story I wanted to draw.

SHAAA

I created this series after tons of pondering and research in the hopes of having as many readers as possible.

To my **BL expert friends** (who were so into niche stuff that they mastered the mainstream contents as well), my **producer** who advised me, and my coloring **assistant!**

Thank you.

I hit my goal thanks to you all, which makes me super happy.

So Low Tide in Twilight...

...is about Taeju, who only loves himself...

...meeting Euihyun, who loves others more than he loves himself (which is to say, not at all)...

...and coming to admire the way Euihyun loves, and thus learning to love Euihyun in his selfless way.

And after shenanigans...

...Taeju learns to love Euihyun like he used to love himself...

...and Euihyun learns to love himself through the way Taeju loves him...

...thus completing the cycle and expansion of love. That's the gist of this story.

I hope the message was delivered properly, and that you enjoyed the story overall.

There's also some episodes I removed so we could focus on the main pairing's emotional arc.

Such as: why Taeju bought a motorcycle, what happened to Yeongdo and Sahyeok (not sure if anybody cares...), and what Taeju was up to while he went MIA for a month...

I'LL BE EXPANDING ON THESE IN
THE SIDE STORIES!

BUT...

Three years of enslavement to working on a webtoon series has aged me in dog years, so I'm taking a break first...

I'll still be in touch regarding physical copies and merch, though!

I don't use social media or online communities aside from the account listed below, so any official(?) news about *Low Tide in Twilight* will be posted there.

BYE!

And to cap it all off...

...here's my assistant's
gorgeous celebratory gift art...

...and a preview to the
side story.

MY ONE
AND ONLY...

Coloring assistant, Birang.
