**XXTELEVISION news here, and we're back with some more intriguing news for you.**

**Yesterday, there was a gang fight among teenagers near the school district.**

As you can see in this video clip, a student who's surname is Xiao and another student who's surname is Luo entered the second gender differentiation at the same time.

The two sexes that are shown in this clip are none other than an Alpha and Omega.

It's noteworthy to remember the pheromone match between the two students you see in this clip is zero percent, which has you know, is extremely rare in the country...

Let's get more intel on the situation.

As of right now, I'm at the cities hospital to get a follow-up story with today's incident.

CURRENTLY  
BOTH STUDENTS HAVE  
NOW COMPLETED THEIR  
DIFFERENTIATION AND HAVE  
BEEN DISCHARGED FROM  
THE HOSPITAL. AS YOU SEE  
BESIDE ME ARE THE  
ROOMS THEY WERE  
IN.

After speaking with the two teenagers parents, I've learnt the two Luo and xiao weren't quite civilized with each other growing up.

Fighting is a norm, it's historical legacy.

What really caught their parents off guard was when they suddenly differentiated during their fight.

However the one student, surnamed Luo should be primarily responsible for...

WHAT GIBBERISH.

I WONDER,  
ARE THEY DOING  
THIS BECAUSE OF  
THE WHOLE DIFF-  
ERENTIATION THING?  
UGHH I FEEL SO  
EXHAUSTED!!

MENTIONED THE  
NAMES LUO AND XIAO,

WILL REMEMBER.

I GUESS  
YOU'RE  
RIGHT.

DON'T YOU THINK IT'S  
KINDA RECKLESS OF YOU  
TO GET INTO FIGHTS  
WHEN NEAR YOUR HEAT

HOW VALUABLE YOU WERE  
THE OTHER DAY?

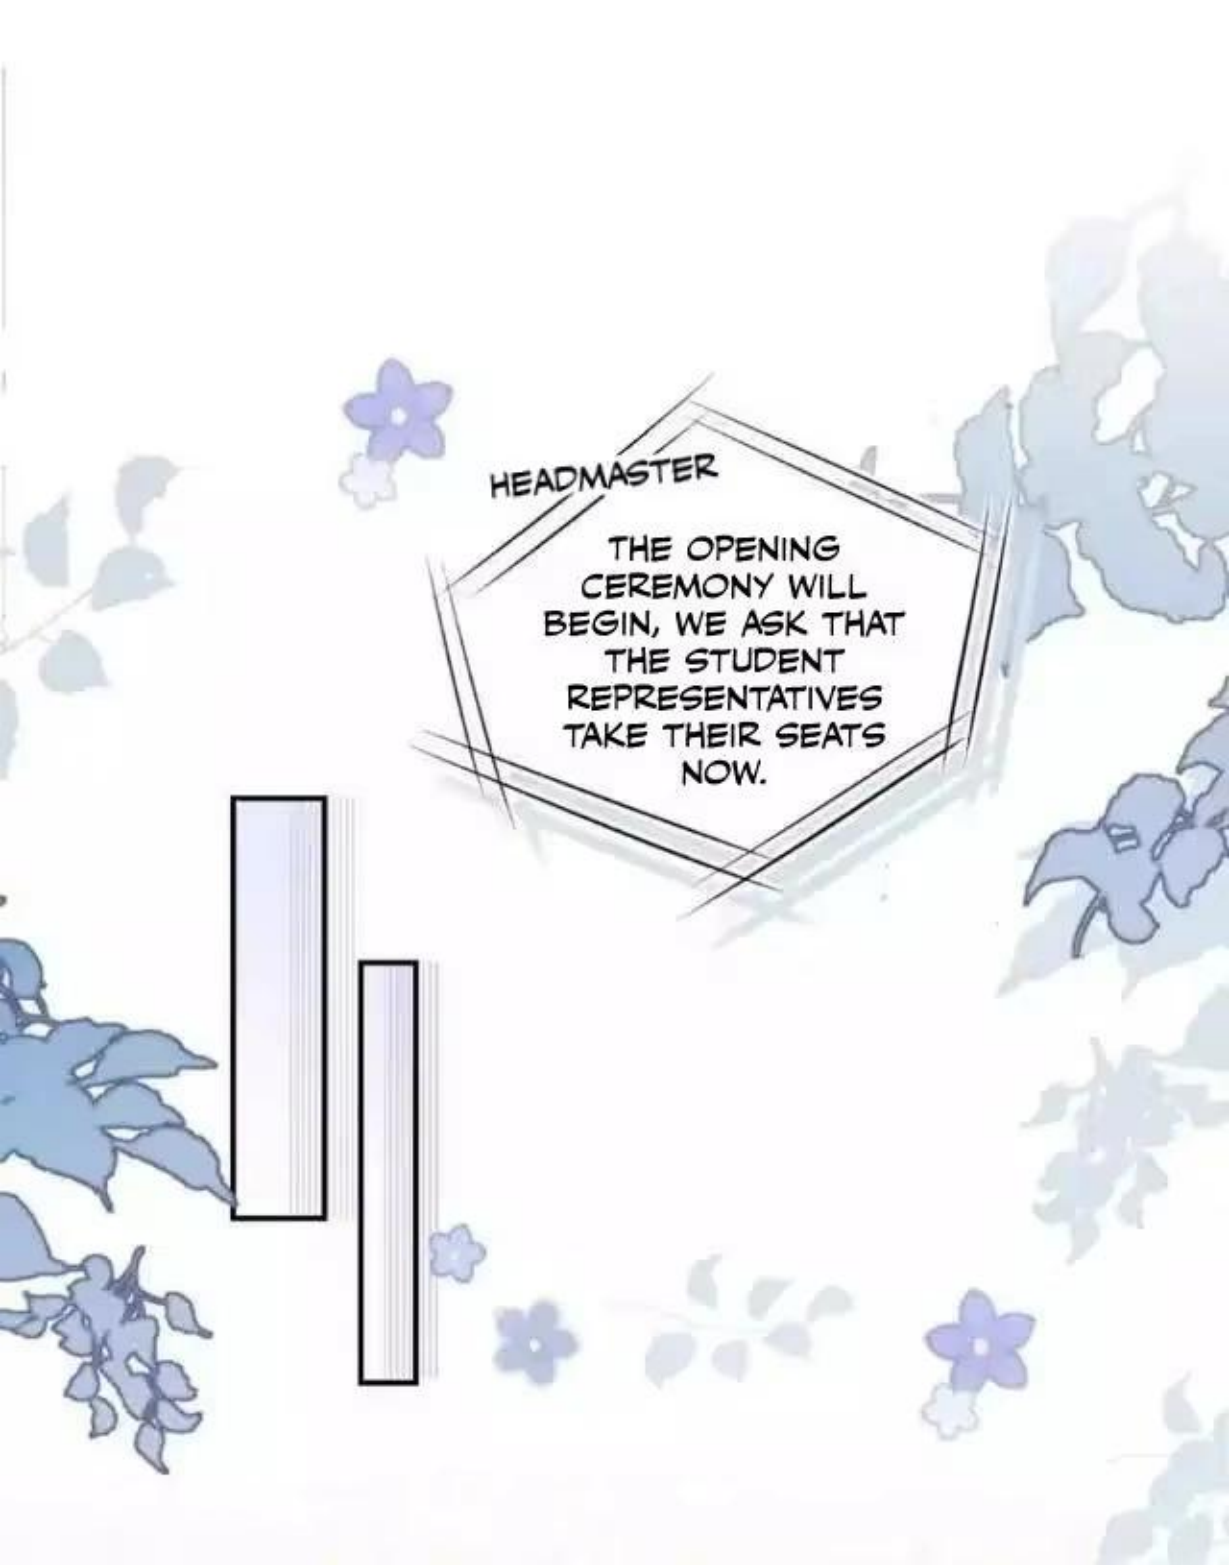

-I'M-FINE.
